About Equicoach.life

A business educating horse lovers, welfare organisations, mounted police, vets, vet nurses, studs, colleges and universities and competition riders in the science of how horses learn.

Equitation Science is the body of knowledge placing a spotlight on how horses feel before, during and after we train and compete.

Educations is via clinics, workshops, conferences, online community and membership mastermind.

Lisa Ashton MBA, PGCE, BA (Hons) ESI Dip BHS II, PC A Test helps horses live a good life by connecting and sharing the latest in evidenced based knowledge

Vision Mission Goals

The Legacy Club is a global project to connect face to face over coffee and a clinic, discussing our challenges, questions and wins applying equitation science.

Our mission is to tighten our connections with like minds by supporting each other, leaving for horses the legacy, the truth about horses.

Together we are the change our horses need

Why A Legacy
Club ?

**What Will
We Do?**

Wherever you are in the world, at each meeting the same agenda will be discussed and then shared by Lisa, together we are stronger.

Together we cultivate the culture of our Legacy Club

From our own face down moments to how to BE THE CHANGE for our horses mental and physical well-being

Community Is Key

Coffee & Clinics

At the heart of The Legacy Club is Curiosity
A curious equestrian explores first then considers whether or not the content fits them. At the Legacy Club we discuss the impact evidenced based knowledge has on our horses performance and health (mentally & physically) supporting each other through our personal and movement to be the change our horses need, challenges.

**After the clinic Equicoach Agents of Change
host The Legacy Club**

How Do I Become an Equicoach
Agent of Change ?

Being a Change Agent

If you are being the change our horses need in your own stables,
barn, riding club, Pony Club or online community the Lisa wants to
hear from you...

To apply and become Equicoach Agent of Change email
Lisa@equicoach.ife explain briefly why you should become a Legacy
Club Agent of Change

What Now?

The Legacy Club Needs YOU

1. Email lisa@equicoach.life
2. Identify a clinic venue
3. Identify a Legacy Club Venue (this can be the same as the clinic venue or the local pub!)
4. Together share when and where we connect and be the change

If you wish to discuss further or have any questions join Coffee With Horse Lovers and meet other Agents of Change
